

# Information Sheet

Ridgehaven Reserve, Ridgehaven

We are inviting the local community to provide feedback regarding the playground renewal to guide a Playground Concept Design.

## Background

As part of the Annual Business Plan 2020-2021, Council has allocated \$100,000 to replace the ageing playground equipment and to complete general landscape beautification works on Ridgehaven Reserve (located at 2-4 Leane Avenue, Ridgehaven).

## The proposal

The proposed renewal plan will see the replacement of the playground with new equipment and general landscape improvements adjacent to the playground.

Council is seeking feedback from the community to guide the style of playground and the type of equipment. The information collected will guide the creation of a Ridgehaven Reserve, Playground Concept Design.

The Playground Design supported by Council (Stage 2) will be available to view and commentary on the supported design will be welcome and collated. It is proposed that the comments will be used as part of information gathering to assist other future playground development proposals and not to influence change at this stage of the Ridgehaven Reserve design.

## Stage One:

Feedback from the community on:

- Location within the Ridgehaven Reserve
- The style of playground preferred
  - Traditional
  - Nature based
  - Adventure
  - Combination
  - Other
- The type of equipment for the preferred style of playground
- Improvements to the reserve adjacent to the playground, such as paths, seating and shade trees.

## Stage Two:

A Playground Concept Design will be created using the information gathered in Stage One as a guide. The design will be available to view and the comments received on the design are proposed not to influence the final design but to provide information on future community consultation on playgrounds.

## Have your say

Ridgehaven Reserve is an important open space and 'play' resource for the local Ridgehaven community. We want to better understand how you currently use the space and what changes you would like to see. We seek your ideas on the playground location, the playground style, equipment type and landscaping of the adjacent area.

Before we take any further steps we would like to hear from the local community on what they think.

To get involved, go to **[haveyoursay.cttg.sa.gov.au/rrplayground](https://haveyoursay.cttg.sa.gov.au/rrplayground)**

- Review the information available
- Complete the online feedback form. If you would like a hard copy feedback form posted to you, please contact us on 8397 7444
- Ask a question using the Q&A tool
- Upload a file with your ideas/suggestions

**Feedback should be provided to Council by 5pm, Friday 4 December 2020.**

All feedback received from Stage One, will be collated and used to guide the creation of the Playground Concept Design, for Ridgehaven Reserve.

All those that provide feedback for Stage One and the community local to Ridgehaven Reserve will be notified to provide commentary on Stage Two, the Playground Design, once released.

### Questions?

If you have any questions regarding this proposal, please do not hesitate to contact Robert Hutchison on 8397 7444 or email [robert.hutchison@cttg.sa.gov.au](mailto:robert.hutchison@cttg.sa.gov.au)
